PROGRAMME

Dear Faculty and Students,

The department of Medical Laboratory Technology, Sree Anjaneya College of Paramedical Sciences, Modakkallur is organizing one day CME “**AIMA-2K19, A Scientific Feast to Empowering Laboratory Scientists**” on 19th June 2019. This CME focuses on latest inventions, approaches and technical advances in diagnostic microbiology. The highlights of the events are on the dietary influences on diseases and research education. It will be gold standard platform for students to enhance their research knowledge. It also aims to enlighten the students about the challenges and scope of their career. This programme includes didactic lectures, slide seminars and interesting discussion by invited and in- house faculty. This CME will benefit the medical laboratory students to empower their knowledge and skills.

It is our pleasure and privilege to invite you to attend this academic feast and look forward to your active participation. Your presence at AIMA – 2K19 will be much appreciated.
