

WORLD ASTHMA DAY

World Asthma day celebration was conducted on 8th may 2025 by the students of 3rd year BPT of Sree anjaneya college of paramedical sciences.

The event was held from 10 am to 1 pm at the exercise therapy lab and was open to the whole paramedical college. The programmes was inaugurated by Dr. JYOTHI THOMAS, principal of SACPMS.

It was followed by a welcome speech from the Vice principal MR. JAZEEL & felicitation from the HOD Mrs SILSILA. They guided us with their inspirational words.

Then we had an awareness class on the topic ASTHMA by Atheetha & Anushika, students of 3rd year BPT

Then we had an exhibition including many charts to make students aware of asthma & its effects. We also conducted several games to access the respiratory capacity of students. And this was conducted for all students of paramedical sciences
