## **Continuing Optometry Education Programme**

The Department of Optometry, Sree Anjaneya College of Paramedical Sciences, Kerala University of Health Sciences conducted Continuing Optometry Education Programme "IKSHA 2023" on 9th September 2023. It focused on various clinical aspects of Cornea and Contact Lens. There were 4 sessions pertaining to this specialty area. We also had a session on various career opportunities in the field of optometry both in India and across the globe. There were 140 delegates from outside the campus and 110 of our own students totaling to a participant strength of 250. The programme was accredited by 5 credit points from Optometry Council of India. IKSHA 2023 was a grand success. We got a good feedback from the delegates and they all appreciated the way it was carried out.
