" Earn 5 credit points from OCI
upon completion of this CME programme "

Dear colleagues,

Join us on 5th April 2025, Saturday for an enriching continuing optometry education programme, **IKSHA '25**

@Academic block, Malabar medical college campus, Ulliyeri.

Looking out to enhance your expertise in pediatric eye care? This programme includes a wide array of topics that fall under the umbrella of pediatric optometry and binocular vision, such as assessing visual functions in pediatric population, non strabismic binocular vision anomalies, vision therapy, myopia control lenses and more. This program offers a unique platform for collaboration, professional growth and deeper insights in to clinical practise.

We look forward to your active participation and interaction.

with warm regards,
Dept. of Optometry
SACPMS
